EDUCATION

Diploma in Web Development

Nairobites Trust

2022Sept - Dec2023

Before reaching this level, I've undergone a different programme within the same organization called The Digital Literacy Programme. We've been taught basic graphic design and essential skills like entrepreneurial and money skills.

Certificate In Information and Technology

Kabete National Polytechnic

2019May - Dec2022

I pursued this course but I haven't graduated yet since I have two retakes that I'm yet to redo. But I'm working on them.

Olympic High School

2013 - 2016

Completed Kenya certificate of Secondary Education

LANGUAGES

English - Conversational

PROFILE

Hardworking and passionate Technical Intern seeker with strong organizational skills eager to basically learn while solving problems using technology. I Offer my skills in Web development and willingness to take on any challenge Ready to help team achieve company goals and improve more on my skills.

WORK EXPERIENCE

IT Intern

Shining Hope for Communities Organisation

2020Feb - June2020

- Researched technical issues thoroughly to complete accurate repair work.
- Kept team technical documentation and inventory records updated.
- Assisted with installation and upgrading of software to meet changing team needs.
- Shadowed qualified technical team members to develop maintenance and repair skills.

ADDITIONAL INFO

- I've also learnt some short online courses from Cisco school of Networking. and its been a very nice experience. Im always looking forward to add more skills and other certifications later on in the future.
